- 09.2005 - 03.2003 Pasadena City College: Pasadena, California. Dean's list Honors.

## EXPERIENCE

- 01.2010 - 05.2010 Proctor and Gamble - Baby Care, Sustainability: Cincinnati, Ohio / Intern  
I worked with the Pampers brand for Premium and Baby-Dry diapers. They provide the largest sales for P&G. I worked with the sustainability team. Our goal is to develop a next generation, sustainable diaper.
- \*Designed the products and worked with the design manager and consultancies
  - \*Worked with the R&D group on consumer research, prototyping, and testing
  - \*Two utility patents are pending for my designs
- 08.2009 - 12.2010 Proctor and Gamble - Beauty Care: Pasadena, CA / Intern  
Sponsored by Pantene, Beauty Care, I worked on Sustainable hair care for 4 months. Furthermore, I was invited to participate in P&G's Beauty Care workshops at the P&G Headquarters, in Ohio.
- \*Participated in different Beauty Care Studio's design workshops and brain storming sessions
  - \*P&G Showcased my designs at their sustainability event
  - \*Developed the concept with design manager on future beauty care projects
- 01.2009 - 04.2009 K-Swiss - Performance Footwear: Westlake Village, California / Intern  
Designed footwear for different categories. Followed through on the design projects from concept sketches to final production. Many of my designs are now on the market.
- \*Designed lifestyle and performance footwear for men and women
  - \*Pattern design for kids footwear
  - \*Responsible for individual shoe design's tech packs and colorways
- 01.2008 - 05.2008 Munchkin: North Hills, California / Intern  
Designed baby toys for different categories. Followed through on the design projects from concept sketches to final production. Many of my designs are now on the market.
- \*Designed baby products (currently in production)
  - \*Developed sketch models and followed up with design projects
  - \*Assisted design manager on a daily basis
- 06.2007 - 08.2007 Lisa Krohn Design Studio: Studio City, California / Intern
- \*Designed display cabinets for clients.
  - \*Developed sketch models and 3D CAD models
  - \*project presentation to clients
- 03.2007 - 05.2007 Grand A International Co, Inc: Baldwin Park, California / Freelance
- \*Designed company logo and stationary sets.
  - \*Designed products such as glassware and plastic products.
  - \*Product packaging design.
